Makers of Custom Printed Plastic Bags

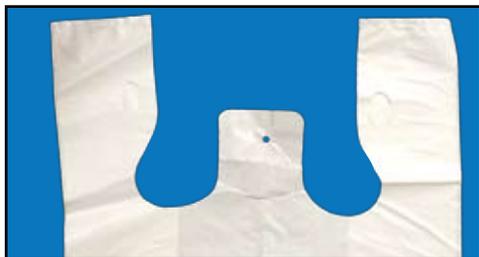

526 South Monroe Street | Seattle, WA 98108 | 1-888-763-1055 | 206-763-1055 | americanplasticmfg.com

## Low minimum orders, lightning fast turnaround, and competitive pricing

American Plastic Manufacturing is your best choice for custom printed plastic bags. Offering a large selection of High Density (HDPE) and Low Density (LDPE) bag styles for retail shops, trade shows, grocery stores, and industrial use. All bags are custom made to whatever specifications your clients require.

*All styles now available in biodegradable plastic! Visit our website at [AmericanPlasticMfg.com](http://AmericanPlasticMfg.com) for more information.*

## Bag Styles

**T-SHIRT BAGS** - Popular for grocery and retail use. Available in high or low density plastic, with side gussets.

**DIE CUT HANDLE** - Bag with die cut handle. Low or high density plastic. Available flat or with gussets on sides or bottom.

**FOLD-OVER DIE CUT HANDLE** Double layer top edge offers added handle strength. Low density plastic, flat or with bottom gusset.

**PATCH HANDLE** - Heat sealed patch around handle offers added strength. Low density plastic, flat or with bottom gusset.

**SOFT LOOP HANDLE BAGS** Convenient strap handles and double layer top edge. Low density plastic with or without bottom gusset.

### MERCHANDISE BAGS - NO HANDLE

A basic bag with no handles, available in high or low density plastic with gussets on side or bottom.

**OTHER BAG STYLES** - Parts Bags, Produce Rolls, Deli Bags, Auto Litter Bags, Ice Bags, Industrial Bags, Bottom Loaded Bags, and more. Contact us for custom jobs!

*All bags custom made to your clients' specifications!*

## Film and Ink Colors

### AVAILABLE FILM COLORS

Film opacity varies depending on thickness. Colors shown are approximations of actual film color. Sample swatches are available upon request.
